SUCCESS STORIES

The students of Jyotirmoy School of Education (JSE) are placed in many Government and renowned private schools, colleges and other organizations. JSE faculty members always help the students to build up their skills not only in teaching, but also in administration, management and co-curricular activities, which they are finding extremely supportive in their professional career.

An excerpt from the list of successful careers, since its inception, is given here. It may not include many notable alumni, due to some unavoidable reasons, for which JSE family is really apologized.
